UNIVERSITY BACKGROUND

www.gehu.ac.in

GEHU is a State Private University which was established by an act of the Uttarakhand State (Act no. 12 of 2011) at Society Area, Clement Town, Dehradun (Uttarakhand). GEHU is recognized by the University Grants Commission (UGC) under Section 2 (f) of UGC Act, 1956. GEHU runs two campuses – Dehradun campus (main campus) & Bhimtal campus (near Nainital, UK). GEHU (both campuses) offer 55 academic programs at the undergraduate, postgraduate and doctoral level. Courses offered are in the disciplines of Engineering, Architecture & Planning, Computer Applications, Management, School of Law, Allied Science, Commerce, Media & Mass Comm, Humanities, School of Design, Pharmacy, School of Agriculture and Diploma courses. Total new admissions (both campuses) for 2018 batch were 2540 (increased from 1790 for 2017-batch). Student Strength for both campuses was 6640 students as at September 2018. More than 70% of GEHU’s students are from Uttarakhand. The University campuses are located at Dehradun and Bhimtal (near Nainital, UK).

Graphic Era Educational Society

GEHU runs under the aegis of Graphic Era Educational Society, established in 1996. The Society runs two universities 1) GEHU (Graphic Era Hill University) & 2) GEU (Graphic Era deemed to be University). GEU is located in the vicinity of GEHU campus. GEU was established in 1998 and presently runs only one campus at Dehradun. It offers courses similar to those offered by GEHU and has new admissions of 2196 students for 2018 batch.(increased from 1852 of 2017 batch). GEU is accredited by National Assessment and Accreditation Council (NAAC) as NAAC ‘A’. Both universities have hostel facilities with a strength of around 2600 students during FY19.

METHODOLOGY ADOPTED

BWR Educational Grading reflects BWR's current, independent opinion on the quality of the programs offered by the University and its ability to deliver and transfer knowledge to the students.

BWR has drawn up several qualitative and quantitative parameters, based on its own research and in consultation with various experts in this field and in the "user segments", to make an assessment of the University's standing, capability, resources and processes and its relative ability to impart quality education and achieve the desired outcomes. BWR has formulated its own criteria by broadly categorizing these assessment parameters into various distinct areas and developed its own Methodology viz, Curriculum & Pedagogy, Faculty profile and quality, Governance structure, Student profile, Placements & alumni performance, Research & internships, Financial strength, Corporate tie ups and start up incubators, and Infrastructure setup.

Graphic Hill Era University (GEHU) offers Management, Engineering and Other Non-Professional & Vocational courses. Professional courses viz., Engineering and Management streams constitute the majority of the courses offered by the University. In view of this and considering the higher enrolment in such educational streams of the University, BWR has assigned the Educational Grading on a State level for GEHU based on its Grading Criteria and Scale for B School and Engineering Colleges.

GRADING RATIONALE

The grading draws strength from the satisfactory track record of the group in education, strong vintage (over two decades), established position amongst the state private universities in Uttarakhand region and good campus infrastructure facilities. GEHU has a well-balanced management structure with experienced Board of Governors comprising industry veterans, bureaucrats and academic doyens. The Grading positively factors the well qualified and experienced faculty, strong industry interaction, introduction of industry relevant courses, international tie ups with renowned Universities, talented student pool, comfortable financial risk profile and stability in its revenue profile owing to diverse academic courses offerings.

The Grading also takes into consideration the competition from other established universities in the state, moderate placement statistics of the University, need for increased brand visibility at the national level to enhance student selection and widen placement opportunities and the necessity for better geographic and academic batch diversity. BWR also notes the vulnerability to the regulatory risks associated with the education sector in India and the scope for improvement in Faculty Development Programmes of the University.

DETAILED GRADING REPORT

GEHU Curriculum:

GEHU offers 55 academic programs at the undergraduate, postgraduate and doctoral level. Courses are offered in the disciplines of Engineering, Arch. & Planning, Computer Application, Management, School of Law, Allied Science, Commerce, Media & Mass Comm, Humanities, School of Design, Pharmacy, School of Agriculture and Diploma courses. All these courses are approved by the All India Council for Technical Education (AICTE), Ministry of Human Resource Development, Government of India.

Each course follows a semester pattern with 5-6 subjects per semester each of 18-20 weeks duration. The curriculum involves a mix of lectures, modelling, industry visits for various courses, case studies along with group –learning assignments. GEHU presently charges on an average Rs 1.50 Lakhs annually for the courses offered excluding hostel fees.

GEHU reviews its curriculum regularly taking due feedback from faculty, students, alumni and corporates in order to keep abreast with the industry requirements as well as current trends.

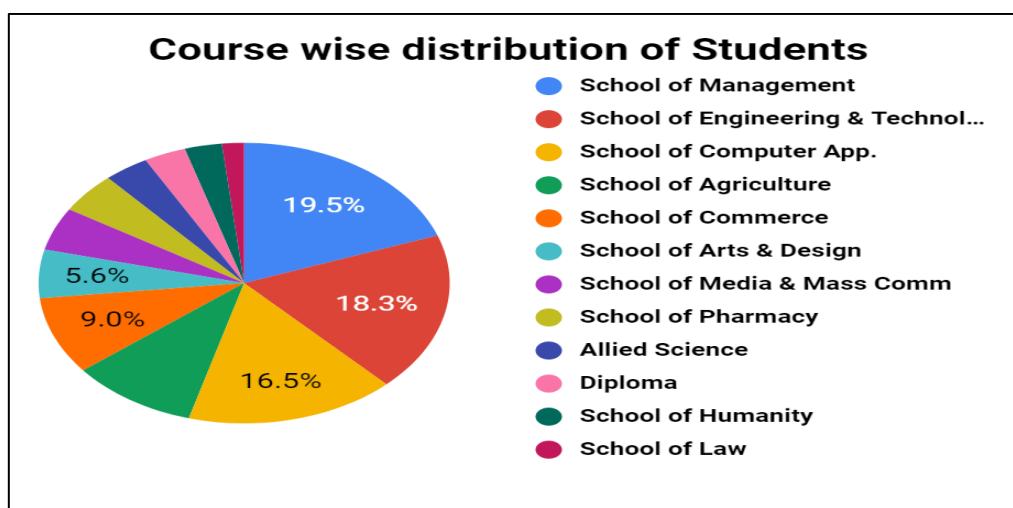

GEHU follows a continuous evaluation process which includes quizzes, assignments/projects/case analysis/presentations, mid-term examination, term end examination and class participation. GEHU awards Cumulative Grade Point Average (CGPA). (CGPA) at the end of a term is the weighted average of the grade points obtained in all the courses up to and including the term. The weights are the number of credits for the respective courses (1/2/3).

GEHU has introduced courses related to Pharmacy, Allied Medical Science, Media & Mass Communication and Fashion Design, of which the first batch of Pharmacy and Fashion Design is expected to pass out this year. Considering the high demand for these courses, GEHU has applied for increasing students intake and expects to secure approvals in the current academic session.

GEHU has MoUs with 11 universities for student exchange programs viz., Sheffield Hallam University, Birmingham City University, Nahda University, European Regional Educational Academy, Southwest State University, Chechen State Pedagogical University, Astrakhan State University of Architecture & Civil Engineering, Chatham University, Corporate Gurukul Pte. Ltd, Stenden University of Applied Sciences and Atlantis University.

TOL/Total Capital (in Times)	6.16	3.90	2.25

GEHU generates adequate revenue to meet its operating expenses and investments in information technology related infrastructure like computers, databases etc to meet its requirements. GEHU achieved revenue receipts of around Rs 96 Cr during 9MFY19 (provisional) and expects to cross over Rs. 100 Cr in FY19.

GEHU reported depreciation of Rs. 40.66 Cr on its revalued fixed assets, which resulted notional loss during FY17. As per the auditors' comments the provision for depreciation made does not affect the cash flows of the society as it is a non-cash transaction.

GEHU reported comfortable gearing levels with healthy operating surplus and debt protection metrics. There is demonstrated and continuing support from its parent society i.e. Graphic Era Education Society (GEES) for meeting its ongoing investments in capital expenditure, resource mobilisation and learning infrastructure enhancement. GEHU's borrowings were availed by the Society for the purpose of running both its campuses.

Key financial figures of Graphic Era Education Society:

Particulars	FY 16 (Audited)	FY17 (Audited)	FY18 (Audited)

The Society has reported growth in its revenue receipts due to rise in new admissions of GEU and GEHU (all campuses). The Society also introduced certain courses which added up to its revenue during FY18. The Society has generated revenue of Rs. 183 Cr till Dec 2018 and expects to reach Rs. 227 Cr for FY19. Being a deemed university, GEU enjoys flexibility in fee fixation and increase in student strength of all the courses offered, as per the demand and requisite infrastructure available.

The Society reported depreciation of Rs. 144.63 Cr on its revalued fixed assets, which resulted notional loss during FY17. Further, society also recognised gratuity payable to employees of Rs. 6.60 Cr as an 'Operating Exp.' during FY17. As per the auditors' comments the provision for depreciation made does not affect the cash flows of the society as it is a non-cash transaction. Also gratuity payable is a long term provision as liability for payment of gratuity arises to an employee only on termination of employment.

The Society reported comfortable gearing ratio with healthy operating surplus which resulted in strong interest coverage ratio and debt protection metrics of the Society. ISCR and DSCR of the Society stood at 4.53x and 2.15x, respectively in FY18. Further, despite increasing overall debt position for its proposed hospital project, its financial risk profile expected to remain strong over the medium term.

Available funds (cash and unrestricted investments) of the Society stood at Rs. 38.20 Cr in FY18 (FY17: Rs. 30.22 Cr), providing additional support for its increasing debt levels. Utilization of its O.D. limit remains average throughout the year. It reports adequate cash accruals of Rs. 67.71 Cr against debt obligation of Rs. 17.81 Cr during FY18.

FUTURE GROWTH

The number of state private universities across the country is increasing with the growing importance of higher education. A step taken by Indian Universities to achieve global standards is forging affiliations and tie-ups with various renowned domestic and international universities and corporate houses. International accreditations also attract foreign companies and MNCs in India during the final placement period.

Taking into consideration the established reputation of the University in Uttarakhand region, management competence, satisfactory teaching faculty and standards, efficient program administration, student admission standards & diversity and good infrastructure and facilities, BWR believes that GEHU's activities are sustainable and committed to high quality.

As part of its strategy for continuous improvement, GEHU could focus on acquiring additional national & global accreditations, improve its placement statistics, strengthen its consultancy and research track record, forge additional corporate tie-ups, include value-added modules in curriculum with an aim to enhance practical exposure and employability of students and introduce incubator initiatives. Global inputs in curriculum can be added to enhance the international exposure of student and Faculty Development Programmes honed, which would be beneficial in attracting higher quality students and faculty, premier recruiters, provide greater research opportunities and enable global recognition.
